

Summer greetings from EC Montessori School!!

Our toddler program and summer camp program with Montessori lessons and summer activities are off to a great start! "Play with Your Food" enticed the children's appetites and culinary curiosity through fun make and eat activities.

This week's camp: "Let's Move! Twist and Shout" is already producing giggles galore!

There are still spaces available for these summer camp sessions but, spots are going fast! Be sure to secure a place for your child today.

Summer staff includes Ms. Angela and Ms. Ronique in the Magnolia room, Ms. Leah and Ms. Amber (recent Coker College graduate and returning summer assistant) in the Daffodil room, and Ms. Debi and Ms. Rose in the camper program. Margaret and I are here to assist you in the office with my daughter Maggie "helping."

Please let us know if we can do anything for you.

Laura Lopresto-Mckeown, Educational Director
